Scrapbooking

Learn what millions of other people already know and have experienced: the joy of scrapbooking. Join the Modesto Library and local scrapbooker Anna Soto for a series of free programs to learn about and practice scrapbooking. This program will be held the 2nd and 4th Saturdays of every month and begins on Saturday, January 14 at 12:30 p.m. in the Modesto Library Auditorium. Some materials will be available but participants are encouraged to bring their own.

Scrapbooking is a way for people of different backgrounds to share information about their experiences. While sharing their memories, they are in turn educating others about people they've met, places they've visited, and the world they have experienced.

Library Foundation Fundraiser

Dr. Abraham Verghese, author of best-sellers "Cutting for Stone," "My Own Country," and "The Tennis Partner" will speak at the Gallo Center for the Arts on Tuesday, January 17 at 7 p.m.

Proceeds benefit the Stanislaus Library Foundation and the Gallo Center for the Arts. For details and ticket information visit galloarts.org.
